Dear hard-working UGA Post-Docs,

The PDA works hard to enhance the visibility of postdocs at UGA and at the local, national, and international levels; to foster the UGA Postdoctoral community through social interactions; to serve as a liaison between postdocs and the university administration; and to advocate for the interests of UGA Postdocs. In the past year alone, the organization has awarded over $2,800 for conference travel and offered social and training sessions.

In order for the PDA to continue to provide these services to current and future post-docs, and according to our bylaws, we are seeking for nominations for all executive member positions, except the President position, where our current Vice President, Dr. Joseph Disi, will take the lead to ensure a smooth transition between boards. Please review our bylaws at: https://2fobd332kzpg2a0klf7lelmt-wpengine.netdna-ssl.com/files/2019/03/2018-19-Revised-PDA-bylaws.pdf
